Oversight Board Meeting of June 20, 2012

Honorable Chair and Members of the City of Torrance Oversight Board City Hall Torrance, California

SUBJECT: Selection of Point of Contact to the State Department of Finance

RECOMMENDATION

Recommendation that the Torrance Oversight Board appoint a member as the point of contact to the State Department of Finance.

BACKGROUND AND ANALYSIS

As a result of ABX1-26, on April 27, 2012, the City of Torrance Oversight Board was formed and had their first official meeting. A Chair and Vice Chair was elected by the Board, a meeting time, date and location was set, the Brown Act was reviewed, Form 700 was discussed, a contact person to the State Department of Finance was selected and Oversight Board bylaws were adopted my resolution.

There are seven Board members in total: Two appointed by the Mayor of the City of Torrance, Jeffery W. Gibson, Community Development Director representing the former Redevelopment Agency employees, and Kenneth Flewellyn, Assistant Finance Director for the City of Torrance. The Sanitation District, which represents the largest special district by property tax share with territory in the jurisdiction of the former redevelopment agency, appointed Susan Rhilinger. Representing the County Board of Supervisors are John Parsons and Stephen Maguin. The County Superintendent of Education appointed Patricia Smith, and the Chancellor of the California Community Colleges appointed JoAnn Higden.

On June 5, 2012, the Mayor appointed Mr. Eric Tsao, Finance Director to replace Mr. Kenneth Flewellyn. According to the adopted Bylaws of the City of Torrance Oversight Board "Article 1 Section 5 – Vacancies", when a seat of the Oversight Board becomes vacant, the position will be filled by a member appointed by the agency who originally appointed the former member. Such appointments are to take place within 60 days of the creation of the vacancy and the Governor may appoint individuals to fill a member position that remains vacant for more than 60 days. The appointment has occurred within the required time frame. Mr. Eric Tsao will be required to file a Form 700 in accordance with the California Fair Political Practices Commission.

The appointment of Eric Tsao to the Oversight Board has created the need to select a member from the Board as the point of contact to the State Department of Finance.

Respectfully submitted,

Board Meeting of June 20, 2012

Honorable Chair and Members of the City of Torrance Oversight Board City Hall Torrance, California

SUBJECT: Approval of revised Recognized Obligation Payment Schedules

RECOMMENDATION

Recommendation that the Oversight Board approve the revised Recognized Obligation Payment Schedules (ROPS) for the periods of January through June and July through December 2012 in accordance with ABX1-26.

BACKGROUND AND ANALYSIS

Redevelopment dissolution bill ABX1-26 requires that Oversight Boards review and oversee the functions of Successor Agencies. One of the primary responsibilities of the Oversight Board is to approve a Recognized Obligation Payment Schedule (ROPS) for each six month period. On April 27th, 2012, the Board approved the Successor Agency to the City of Torrance Redevelopment Agency draft ROPS for the January through June and July through December 2012 periods. Following receipt of the approved ROPS, the State Department of Finance (DOF) informed the Successor Agency of its intent to review one or more items for compliance.

Staff received a letter from the DOF dated May 11th which identified items on both approved ROPS it deems to be un-enforceable (Attachment C). The January through June 2012 ROPS exceeded the allowable \$250,000 for administrative expenses by \$20,198. On the July through December 2012 ROPS, the DOF issued an opinion that the \$6.7 Million due in FY 2012 for two City Advances to the former Redevelopment Agency were not made within the first two years of the creation of the Redevelopment Agency, and therefore are not enforceable. A letter from the DOF received on May 25, 2012 informed the Agency that, aside from the items mentioned above, the remainder of the ROPS was approved and the respective allocation to the Redevelopment Property Tax Trust Fund would be issued on June 1, 2012 (Attachment D). Although the property tax increment was issued, there are still sufficient funds available for the Oversight Board to hire independent legal counsel.

Staff revised the January through June ROPS with an administrative budget of \$250,000 (Attachment A). It should be noted that staff disagrees with the DOF's interpretation on the City Advances in question. The City of Torrance advanced a principal of \$12,075,682 plus accrued interest of \$37,420,500.21 totaling \$49,496,182.21, with approximately \$6.7 Million due in FY 2012, towards the Industrial Redevelopment Project Area (IRP) within two years of the creation of the IRP in 1983, which complies with Health and Safety Code Section 34171(d). Staff continues to list the \$6.7 Million payment

on the ROPS and has notified the DOF of its intent to contest this interpretation (Attachment B). In addition, staff amended the ROPS to include additional obligations of the former Redevelopment Agency that were not originally listed. These obligations include a landscaping contract for the Downtown Project Area, parking lot maintenance fees, and Southern California Edison street lighting costs.

Staff will continue to update the Oversight Board as more information becomes available. Pending the approval of the ROPS by the Successor Agency to the former Redevelopment Agency of the City of Torrance at its meeting on June 19th, staff recommends the Board approve the revised Recognized Obligation Payment Schedules for the periods of January through June and July through December 2012. The approved revised schedules will be posted on the Successor Agency's website and submitted to the County Auditor-Controller, State Controller, and State Department of Finance.

Kenneth Flewellyn, Assistant Finance Director City of Torrance 3031 Torrance Boulevard Torrance, CA 90503

Dear Mr. Flewellyn:

Pursuant to Health and Safety Code (HSC) section 34177 (I) (2) (C), the City of Torrance (City) Successor Agency submitted a Recognized Obligation Payment Schedule (ROPS) to the California Department of Finance (Finance) on April 30, 2012, for the periods January through June 2012 and July through December 2012. Finance staff recently contacted you for further clarification of items listed in the ROPS.

HSC section 34171 (d) lists enforceable obligations characteristics. Based on our application of the law, we do not believe the following items qualify as Enforceable Obligations (EO):

January through June 2012 ROPS

Administrative expenses of \$20,198 (see Attachment A). The HSC section 34171 (b) limits the 2011-12 administrative cost allowance to five percent of the property tax allocated to the successor agency or \$250,000, whichever is greater. Therefore, \$20,198 of the claimed \$270.198 is not allowed.

July through December 2012 ROPS

• Item Nos. 11 and 12 – City advances totaling \$6.7 million. HSC section 34171 (d) (2) states that loans between the entity that created the redevelopment agency (RDA) and the former RDA are only enforceable if made within the first two years of the RDA's existence. It is our understanding the two City's advances were made in 1982 and 1983 whereas the RDA was created in the 1964.

As authorized by HSC section 34179 (h), Finance is returning your ROPS for your reconsideration. This action will cause the specific ROPS items noted above to be ineffective until Finance approval. Furthermore, items listed on future ROPS will be subject to review and may be denied as EOs.

Department of Finance may continue to review items on the ROPS in addition to those mentioned above and identify additional issues. We will provide separate notice if we are requesting further modifications to the ROPS. It is our intent to provide an approval notice with regard to each ROPS prior to the June 1 property tax distribution date.

Mr. Flewellyn May 11, 2012 Page 2

If you believe we have reached this conclusion in error, please provide further evidence that the items questioned above meet the definition of an EO and submit to the following email address:

Redevelopment_Administration@dof.ca.gov.

Please direct inquiries to Chikako Takagi-Galamba, Supervisor or Wendy Griffe, Lead Analyst at (916) 322-2985.

Sincerely,

Kenneth Flewellyn Assistant Finance Director City of Torrance 3031 Torrance Boulevard Torrance, CA 90503

Dear Mr. Flewellyn:

Subject: Recognized Obligation Payment Schedule Approval Letter

Pursuant to Health and Safety Code (HSC) section 34177 (I) (2) (C), the City of Torrance Successor Agency submitted Recognized Obligation Payment Schedules (ROPS) to the California Department of Finance (Finance) on April 30, 2012 for periods of January to June 2012 and July to December 2012. Finance is assuming appropriate oversight board approval. Finance has completed its review of your ROPS, which may have included obtaining clarification for various items.

Except for items disallowed in whole or in part as enforceable obligations noted in Finance's letter dated May 11, 2012, Department of Finance is approving the remaining items listed in your ROPS for both periods. This is our determination with respect to any items funded from the Redevelopment Property Tax Trust Fund (RPTTF) for the June 1, 2012 property tax allocations. If your oversight board disagrees with our determination with respect to any items not funded with property tax, any future resolution of the disputed issue may be accommodated by amending the ROPS for the appropriate time period. Items not questioned during this review are subject to a subsequent review, if they are included on a future ROPS. If an item included on a future ROPS is not an enforceable obligation, Finance reserves the right to remove that item from the future ROPS, even if it was not removed from the preceding ROPS.

Please refer to Exhibit 12 at http://www.dof.ca.gov/assembly_bills_26-27/view.php for the amount of RPTTF that was approved by Finance based on the schedule submitted.

As you are aware the amount of available RPTTF is the same as the property tax increment that was available prior to ABx1 26. This amount is not and never was an unlimited funding source. Therefore as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available in the RPTTF.

Please direct inquiries to Chikako Galamba-Takagi, Supervisor or Wendy Griffe, Lead Analyst at (916) 322-2985.

Sincerely,

MARK HILL Program Budget Manager

Board Meeting of June 20, 2012

Honorable Chair and Members of the City of Torrance Oversight Board City Hall Torrance, California

Members of the Board:

SUBJECT: Properties owned by former Redevelopment Agency –

Information Item

RECOMMENDATION

Recommendation that the Oversight Board accept and file the information item with regard to procedure for retention and disposition of former Redevelopment Agency Owned properties.

BACKGROUND

On April 27, 2012, Successor Agency staff brought an information item before the Oversight Board (Board) listing and describing properties owned by the former Redevelopment Agency of the City of Torrance. Section 34181 of the Health and Safety Code states the following:

34181. The oversight board shall direct the successor agency to do all of the following:

(a) Dispose of all assets and properties of the former redevelopment agency that were funded by tax increment revenues of the dissolved redevelopment agency; provided, however, that the oversight board may instead direct the successor agency to transfer ownership of those assets that were constructed and used for a governmental purpose, such as roads, school buildings, parks, and fire stations, to the appropriate public jurisdiction pursuant to any existing agreements relating to the construction or use of such an asset. Any compensation to be provided to the successor agency for the transfer of the asset shall be governed by the agreements relating to the construction or use of that asset. Disposal shall be done expeditiously and in a manner aimed at maximizing value.

ANALYSIS

Section 34181 does not establish a process or procedure for the manner in which the property should be disposed other than "Disposal shall be done expeditiously and in a manner aimed at maximizing value". Section 34181 also states that it may "direct the successor agency to transfer ownership of those assets that were constructed and used for a governmental purpose, such as roads, school buildings, parks, and fire stations, to the appropriate public jurisdiction pursuant to any existing agreements relating to the construction or use of such an asset."

In order to move the process forward, Successor Agency staff will be developing a transmittal to the Successor Agency in charge of taking inventory of the property assets of the former Redevelopment Agency, stating the purpose for its use and making a recommendation to the Successor Agency, which properties are recommended for retention for public purpose and which properties should be disposed of pursuant to Section 34181. If the Successor Agency concurs with the staff recommendation, an action item will be before this Board for their review and recommendation. The transmittal should be before the Successor Agency in late June or early July and then before the Oversight Board soon thereafter.

Respectfully submitted,

Attachment: Oversight Board Item dated April 27, 2012

Oversight Board Meeting of April 27, 2012

Honorable Chair and Members of the City of Torrance Oversight Board City Hall Torrance, California

SUBJECT: Inventory of former Redevelopment Agency owned property

RECOMMENDATION

A recommendation that the Torrance Oversight Board accept and review properties previously owned by the Redevelopment Agency of the City of Torrance and transferred to the City of Torrance acting as Successor Agency.

BACKGROUND AND ANALYSIS

On February 1, 2012, all assets, properties, contracts, leases and records of the former Redevelopment Agency of the City of Torrance were transferred by operation of law to the Successor Agency. The Successor Agency in the case of the former Torrance Agency is the City of Torrance. An Oversight Board has been established pursuant to Health and Safety Code Section 34179 to assist in the close out and wind down of the dissolved Redevelopment Agency.

The information being transmitted to the Board is an inventory of property assets owned by the former Redevelopment Agency and transferred to the City of Torrance as Successor Agency. No action is required by the Oversight Board at this time; the purpose of this transmittal is to assist the Members by familiarizing them with the property assets in case future action is required.
